11+ Familiarisation

Saturday 8 June 2019

Thank you for attending the DHSB familiarisation session today. We hope your son will have found the opportunity to attend DHSB to sit in our exam hall and concentrate on Maths and English for a sustained period useful.

Indicative Pass Marks

Please note the pass marks for the English and Maths papers are indicative and are for guidance only. Your son's result today is not a guarantee of qualification in the September admission exams.

11+ Registration

We want everyone here today to come back for the real tests in September.

Please ensure you have completed the 11+ registration for your son. The online form is available at this link.

<http://www.dhsb.org/admissions/>

Open Days

We recommend that you return to DHSB for one of our open events. There is no requirement to book a space and we will be pleased to welcome you to the school.

Open Evening on Tuesday 9 July at 16.30

Open Morning on Monday 15 July at 9.00

Provision for Pupil Premium Students

We don't want there to be any barriers to stop Pupil Premium students from registering for the 11+ tests and taking up a place in the school. The over-subscription criteria for admission to the school gives priority to Pupil Premium students and funding allows us to make extra provision which will potentially support the cost of transport and uniform.

Please contact my PA Sarah Nicholson if you have any questions about this provision.

Dan Roberts
Headteacher

English

The English mark scheme is enclosed. The indicative pass mark for this paper is 18/35.

Maths

The Maths mark scheme is enclosed. All questions are worth one mark. The indicative pass mark for this paper is 26/43 (60%).
